

## Orange County Cactus & Succulent Society - Show Rules

- 1) The show is open to everyone. Non-members wishing to enter must contact the show chairmen at least one week prior to the show to ensure adequate display space.
- 2) There are two classes for exhibitors in Divisions I and II.
  - \* Novice - An exhibitor that has won fewer than 20 first place ribbons in recognized shows (a major trophy, not novice or rookie award, won in Division I or II shall count as 10 first place ribbons)
  - \* Advanced - All others
- 3) Plant requirements
  - \* Entered plants must have been in the owner's possession and care for at least 6 months
  - \* All plants must be clean and free of pests or disease. The show committee may remove any unsuitable material from the show or sale at any time.
  - \* All plants should be marked with the owner's name or mark, not visible to the judges.
  - \* Grafted plants are accepted in any division, stock and scion to be judged as a whole.
  - \* Plants with 30% or more Crest, Monstrose or Variegation must appear only in those categories.
  - \* Pot size classes are determined by the inside diameter of the pot's top rim. Irregular pots shall be sized by calculating length + width and dividing by 2.
  - \* Miniature entries shall be mature plants of their normal size and growth habit. Not seedlings.
- 4) All exhibits and entry cards must be placed by the exhibitor during the set up hours.
- 5) The show committee reserves the right to move plants or displays and redefine classes to improve the show.
- 6) All decisions of the Judges or Show Chairmen are final.
- 7) All plants and awards must remain on display until the end of the show.

### Awards

Ribbons for first, second, third and honorable mention may be awarded in each division and class. Judges may elect to give multiples of a given award, or none, depending upon the merit of the entry.

Outstanding plant rosettes will be awarded based on the Judge's recommendations.
